The same shall be put up on its website, for the information of various stakeholders.

11 Regulation of excessive interest charged

- 11.1 The Board of each HFC shall adopt an interest rate model taking into account relevant factors such as cost of funds, margin and risk premium and determine the rate of interest to be charged for loans and advances. The rate of interest and the approach for gradation of risk and rationale for charging different rate of interest to different categories of borrowers shall be disclosed to the borrower or customer in the application form and communicated explicitly in the sanction letter. The Board of EHFL shall also have clearly laid down policy for penal charges (if any).
- 11.2 The rates of interest and the approach for gradation of risks, and penal charges (if any) shall also be made available on the website of the companies or published in the relevant newspapers. The information published in the website or otherwise published shall be updated whenever there is a change in the rates of interest.
- 11.3 The rate of interest must be annualised rate so that the borrower is aware of the exact rates that would be charged to the account.
- 11.4 Instalments collected from borrowers should clearly indicate the bifurcation between interest and principal.

12 Excessive interest charged

- 12.1 Though interest rates are not regulated by RBI, rates of interest beyond a certain level may be seen to be excessive and can neither be sustainable nor be conforming to normal financial practice. EHFL shall lay out appropriate internal principles and procedures in determining interest rates and processing and other charges (including penal charges, if any). In this regard the directions in the Fair Practices Code about transparency in respect of terms and Conditions of the loans are to be kept in view. EHFL shall put in place an internal mechanism to monitor the process and the operations so as to ensure adequate transparency in communications with the borrowers.
- 12.2 EHFL shall Charge interest from the date of actual disbursement of the funds to the customer. Similarly, in the case of loans being disbursed by cheque, interest shall be charged from the date of the handover of cheque.
- 12.3 In the case of disbursal or repayment of loans during the course of the month, EHFL shall charge interest only for the period for which the loan was outstanding.
- 12.4 EHFL shall not resort to unfair practice such as collecting one or more instalments in advance but reckoning the full loan amount for charging interest.

12.A. Penal Charges in Loan Accounts

12.A.1 Penalty, if charged, for non-compliance of material terms and conditions of loan contract by the borrowers shall be treated as 'penal charges' and shall not be levied in the form of 'penal interest' that is added to the rate of interest charged on the advances. There shall be no capitalisation of penal charges i.e., no further interest computed on such charges. However, this will not affect the normal procedures for compounding of interest in the loan account.

12A.2. EHFL shall formulate a Board approved policy/amend its existing policy (including its Collection & Recovery Policy) on penal charges or similar charges on loans, by whatever name called.

12A.3. The quantum of penal charges shall be reasonable and commensurate with the non-compliance of material terms and conditions of loan contract without being discriminatory within a particular loan / product category.

12A.4. The penal charges in case of loans sanctioned to 'individual borrowers, for purposes other than business', shall not be higher than the penal charges applicable to non-individual borrowers for similar non-compliance of material terms and conditions.

12A.5. The quantum and reason for penal charges shall be clearly disclosed by HFCs to the customers in the loan agreement and most important terms & conditions/ Key Fact Statement (KFS) as applicable,

in addition to being displayed on the Company's website under Interest rates and Service Charges.

12A.6. Whenever reminders for non-compliance of material terms and conditions of loan are sent to borrowers, the applicable penal charges shall be communicated. Further, any instance of levy of penal charges and the reason therefore shall also be communicated.

12A.7. EHFL shall provide a KFS to all prospective borrowers to help them take an informed view before executing the loan contract, as per the standardised format given in the Annexure I(c). The KFS shall be written in a language understood by such borrowers. Contents of KFS shall be explained to the borrower and an acknowledgement shall be obtained that he/she has understood the same.

The KFS shall be provided with a unique proposal number and shall have a validity period of at least three working days for loans having tenor of seven days or more, and a validity period of one working day for loans having tenor of less than seven days.

Explanation

- i. Validity period refers to the period available to the borrower, after being provided the KFS by the EHFL, to agree to the terms of the loan. EHFL shall be bound by the terms of the loan indicated in the KFS, if agreed to by the borrower during the validity period.*
- ii. The KFS shall also include a computation sheet of annual percentage rate (APR), and the amortisation schedule of the loan over the loan tenor. APR will include all charges which are levied by the EHFL.*

Charges recovered from the borrowers by EHFL on behalf of third-party service providers on actual basis, such as insurance charges, legal charges etc., shall also form part of the APR and shall be disclosed separately. In all cases wherever EHFL is involved in recovering such charges, the receipts and related documents shall be provided to the borrower for each payment, within a reasonable time.

Any fees, charges, etc. which are not mentioned in the KFS, cannot be charged by the EHFL to the borrower at any stage during the term of the loan, without explicit consent of the borrower.

The KFS shall also be included as a summary box to be exhibited as part of the loan agreement.

12B. Reset of Floating Interest Rate on Equated Monthly Instalments (EMI) based Personal Loans (including housing loans)

12B.1. At the time of sanction of EMI based floating rate personal loans, EHFL is required to take into account the repayment capacity of borrowers to ensure that adequate headroom/ margin is available for elongation of tenor and/ or increase in EMI, in the scenario of possible increase in the external benchmark rate/interest rates during the tenor of the loan. However, in respect of EMI based floating rate personal loans, in the wake of rising interest rates, several consumer grievances related to elongation of loan tenor and/or increase in EMI amount, without proper communication with and/or consent of the borrowers have been received. In order to address these concerns, the HFCs are advised to put in place an appropriate policy framework meeting the following requirements for implementation and compliance:

12B.1.1. At the time of sanction, EHFL shall clearly communicate to the borrowers about the possible impact of change in interest rate on the loan leading to changes in EMI and/or tenor or both. Subsequently, any increase in the EMI/ tenor or both on account of the above shall be communicated to the borrower immediately through appropriate channels.

12B.1.2. The borrowers shall also be given the choice to opt for (i) enhancement in EMI or elongation of tenor or for a combination of both options; and, (ii) to prepay, either in part or in full, at any point during the tenor of the loan. Levy of foreclosure charges/ pre-payment penalty shall be subject to extant instructions.

12B.1.3. EHFL shall ensure that the elongation of tenor in case of floating rate loan does not result in negative amortisation.

12B.1.4. EHFL shall share / make accessible to the borrowers, through appropriate channels, a statement at the end of each quarter which shall at the minimum, enumerate the principal and interest recovered till date, EMI amount, number of EMIs left and annualized rate of interest / Annual Percentage Rate (APR) for the entire tenor of the loan. EHFL shall ensure that the statements are simple and easily understood by the borrower.

12 B.2. Apart from the equated monthly instalment loans, these instructions would also apply, mutatis mutandis, to all equated instalment based loans of different periodicities.
